

United in Christ to ignite the joy of faith, community, and learning.

Dear Applicant,

We encourage families to apply online as it simplifies submission and provides parents the ability to track the status of their child's application. Applications are for **new students** only. To begin your Application, visit [school.stephen.org/admissions](http://school.stephen.org/admissions) and click the **Apply Here** button.

Once on our application website, you will need to create an Application Account (**Attention Current Families: this is different than your Family Portal**). Upon account creation, you will receive an email containing a verification link.

Once your email address has been verified, log in to your account and **Create A New Student Application** for your child. You will then have the flexibility to log in and out of your account and access your open application.

**Please note:** There is a \$22 application fee for all new student applicants, including those that have siblings already enrolled at St. Stephen the Martyr. This fee is required by *FACTS* and St. Stephen the Martyr Catholic School does not receive this payment. This fee must be paid by credit card and there is a processing fee.

After submitting the application, you will be able to track your admission status at the school by logging in to your account.

We appreciate your interest and hope to assist you in any way we can. If you have questions, please feel free to contact us at 402-896-0754.
